Sir:

Pursuant to 37 C.F.R. § 1.56, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached Form PTO-1449. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. The listing of a reference herein is not an admission that the reference is prior art or that the reference is material to patentability.

This information is being filed before the mailing date of a first Office Action on the merits. No certification or fee is required.

The references were cited in a counterpart foreign application. A copy of the International search report (application no. PCT/EP03/09724) is attached for the Examiner's information.

Please note that the following foreign language references have English language counterparts which are listed on the attached Form PTO-1449:

U.S. Patent Application Publication No. 2003/0067539 A1 is an English language counterpart to DE 100 03 326 A1 and DE 201 21 318 U1.

U.S. Patent Application Publication No. 2004/0245440 A1 is an English language counterpart to WO 03/024122 A1.

This application was filed after June 30, 2003; therefore, copies of cited U.S. patents and U.S. published applications are not included.

Respectfully submitted,

Douglas J. Christensen
